From,

P. R. W. Wetherall Esquire,
Deputy Commissioner,
Hassan District.

To,

The Secretary to His Highness the Maharaja of Mysore.
Revenue Department.

Sir,

I have the honour to state that the [illegible] which is in Sub-Ramanya, in this district was on the 21st June last found to be in a ruinous condition. As a sum of Rs 2000/- was being provided in the Revenue Budget for the annual Barahazar Santarpane, but subsequent to 1898 the amount has been curtailed to Rs 700 owing to the small number of pilgrims that resorted to the place owing to plague in the district. This year, however, it was found by experience that a large number of pilgrims resorted to Subramanya at Kukke-Subramanya on their way to Subramanya being ignorant of the difficulties placed in the way of proceeding to Subramanya. It was therefore found necessary to

to apply for a sum of Rs 100 out of the Tasdik allotment of the Bisle chattram for feeding purposes there.

2. Moreover the supply of five maunds of Sandal and a quarter maund of cardamoms to each of the matt and temple at Subramanya, the yearly supply of which was stopped in 1898. The supply of these articles is necessary for purposes of worship at Subramanya and no reasons have been assigned as to why the supply of the said articles was stopped. It is believed that the Subramanya matt and temple are entitled to 5 maunds of Sandal and 1/4 a maund of Cardamoms. The Swamis of the matt has been urging for the supply of those articles for the current year as well as for the previous years. It is unnecessary to enter the race related supply of articles due for previous years. But for the current year, it is desirable that the supply of the said articles to the temple and matt should be revived.

3. I therefore request that instructions may kindly be issued to the Comptroller to authorize the Amildar of Sirsi and Tasildar to draw a sum of Rs 1000/ for the purpose to be at the disposal of the Subramanya and also to restore the yearly supply of the quantity of 1/2 maund of Sandal and 1/4 maund of Cardamoms and also Rs 200/ out of the Tasdik allotment of the Bisle Chattram for meeting feeding expenses in the event of a large number of pilgrims being detained at Bisle while on their way to the Subramanya

Yours faithfully

temple during the period affected by the prohibitive notification on account of Plague.

4. Special permission of the British Government may also be kindly obtained through the Hon'ble the British Resident in Mysore for the Assistant Commissioner, Amildar and 15 attendants to go to Subramanya for supervising the Sankatpané as persons from the Mysore State will presumably be prohibited as usual from attending the Car festival in accordance with the Epidemic Diseases Regulation.

I have the honor to be,

Sir,

your most obedient Servant,

P. W. Wetherall

Deputy Commissioner,
